FLORAL ARTS- A More Natural Approach

We have decided to continue to encouraging all entrants to use eco-friendly, sustainable methods in their floral arrangements. This is only a suggestion and should you wish not to use these methods you will not be penalised. Each class is totally up to the entrant's interpretation. **Instead of floral foam or plastic mechanics, try using:**

- Chicken wire – scrunched and placed inside your vessel to support stems
- Reusable jars, bowls, or vases – anything you already have at home
- Flower frogs (pin holders) – great for structured arrangements in water
- Moss – a brilliant, compostable mechanic (see below for how to use it!)
- Twine, raffia or string – to tie things together naturally
- Recycled or compostable materials – paper, cardboard, fabric scraps, etc.

CLASS 65: A bowl of garden flowers, not to exceed 10"

CLASS 66: An arrangement using foliage, fruit, berries and seed heads only

RULES OF THE SOCIETY

1. That the Society be called "THE LOWICK AND DISTRICT AGRICULTURAL SOCIETY".
2. The Society is established for the purpose of improving stock by the distribution of Premiums, for such other competitions and exhibitions as the Committee may from time to time resolve, and generally for encouraging Agricultural improvements of every description.
3. The Society's area shall comprise the following civil parishes of the original District: Coniston, Woodland, Colton, Torver, Lowick, Egton, Osmotherly, Mansriggs, Blawith, Subberthwaite and Heathwaite, Kirkby-in-Furness, Satterthwaite, Grizedale, Duddon and the Homesteads of Horrace, Harlock, Rathvale and Yewdale and the Postal Districts of Askam-in-Furness, Barrow-in-Furness, Dalton-in-Furness and Ulverston.
4. The Society shall hold an Annual Show for the exhibition of stock and for other exhibitions and competitions, including home produce, handicrafts and horticulture, and shall award Premiums and other prizes in respect of such exhibitions and competitions. The Annual Show shall be held on the first Saturday in September, at Lowick Bridge.
5. Except in the Classes categorised as "open", it shall be a condition for entry to every class at the Annual Show that exhibitors and competitors shall be resident or have the Homestead or the larger part of the holding either within the Society's area, or within such other area as may be stipulated by the Committee in any particular case.
6. The Society shall have a Committee, a President, a President-Elect, Vice-Presidents, and ordinary Members. The officers of the Society shall be a Chairman, a Vice-Chairman, a Treasurer and a Secretary, each of whom shall be a Member of the Committee. The President and President-Elect shall be ex officio members of the Committee. There may also be elected to the Committee such number of other persons (being Members of the Society) as the Members of the Society may from time to time resolve. Members of the Committee shall be elected at the Annual General Meeting of the Society and shall hold office until the close of business at the next following Annual General Meeting, but shall be eligible for re-election for successive terms of office.
7. Save as otherwise provided in these Rules, the conduct of the affairs of the Society shall be in the hands of the Committee, who may meet together for the despatch of business, adjourn and otherwise regulate their meetings, as they think fit. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman of the meeting shall have a second or casting vote. Unless and until otherwise resolved by the Committee, the quorum necessary for the transaction of business of the Committee shall be five.
8. The Committee may delegate any of its powers to sub-committees consisting of such member or members of its body (and such other persons) as the Committee may from time to time resolve, provided that a majority of the members and the Chairman of every sub-committee shall be members of the Committee. Any sub-committee so formed shall in the exercise of the powers so delegated, conform to any regulations that may be imposed on it by the Committee.
9. Subject to the provisions of Rules 28 and 33, every person who subscribes to the funds of the Society the sum of £4.00 (or such other minimum sum as may from time to time be resolved by the Society in general meeting) or more shall become a Member of the Society. Membership shall be on an annual basis, and the membership year shall run from 1st April to 31st March. No person shall be eligible to be elected as, or shall remain as, a member of the Committee unless he or she is also a current Member of the Society; but this restriction shall not apply to the Treasurer or Secretary, who need not be Members of the Society.
10. Subject to the provision of Rules 28 and 33, any person who subscribes to the funds of the Society the sum of £10.00 (or such other sum as may from time to time be resolved by the Society in general meeting) shall become a Member of the Society and a Vice-President of the Society. A Vice-President shall have no duties or obligations beyond those of an ordinary Member.
11. Honorary Life Membership of the Society may be awarded at the discretion of the Society in general meeting to a member of the Committee who shall have attained the age of seventy years and who is still serving on the Committee. An Honorary Life Member shall be entitled to free admission to the Society's Annual Show.
12. Every Member of the Society who subscribes to the funds of the Society the minimum sum referred to in Rule 9 shall be entitled to one ticket of admission to the Annual Show, and shall be entitled to a second ticket (but no more) upon subscription of twice such minimum sum (or any greater amount).
13. The Society shall hold an Annual General Meeting not later than the 31st day of March in every year. The business of the meeting shall comprise the consideration of the Accounts of the Society and the reports of the Chairman, the Treasurer, the election of officers and other Members of the Committee, and any other business of which notice shall have been given to the Members. Not less than fourteen day's notice (excluding the date of the notice and the date of the Meeting) shall be given to convene the Annual General Meeting and other general meetings of the Members. Notice may be given in such manner as the Committee may from time to time consider fit and may, in particular, be given by causing it to be advertised in the Evening Mail or other local newspaper circulating within the Society's area.
14. No business shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business. Ten members present in person shall be a quorum. At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless a poll is (before or on declaration of the result of the show of hands) demanded by any two Members present in person. On the occasion of a vote being taken on any resolution, every Member present in person shall, on a show of hands or on a poll, have one vote. No proxy voting is permitted. No alteration of the Rules of the Society may be made save by a resolution of the Members which has been duly proposed and seconded at an Annual General Meeting.
15. The Committee shall appoint one or more competent and disinterested persons to determine upon the merits of the different animals or other exhibits brought into the competition, who are to give their judgement accordingly. The full panel of judges shall take part in the judging of the Championship Classes.
16. The Committee may withhold any Premium or Prize in any case where it appears to the Committee that exhibits do not show sufficient merit; and may award Premiums and prizes in every case where there appears great merit, although there only be one competitor; and may make any alteration in the distribution of Premiums and prizes as the Committee may at its discretion in any circumstances consider fit.

17. Any person entering a protest against a prize-winner shall lodge the sum of Five Pounds with the Secretary at the time of entering the protest, and this sum shall be forfeited to the Society in the event of the Committee deciding that such protest is frivolous. Every protest must be made in writing within seven days of the time of award, except a dispute as to the height of any horse exhibited, when the protest must be entered with the Secretary on the day of the Show. In the event of any dispute as to the height of any horse exhibited the same shall be measured with its shoes on. The decision of the Committee shall be final in all classes.

18. All stock entered for competition must be bona fide property of and be on the holding of the exhibitor for a period of not less than 3 calendar months immediately prior to the date of the exhibition. Any person infringing this Rule renders himself liable to prosecution for attempting to obtain money by false pretences.

19. Every exhibitor shall, on making his entry for any Premium in which the age of the animal is material, state its age in months, or in years and months calculated to the date of the Show, otherwise it will not be allowed to compete.

20. In awarding each Premium, an animal shall be selected by the Judge as a reserve number to take the prize in case the same shall by any means become forfeited by the winning animal.

21. If an exhibitor, servant of an exhibitor, or other person having the charge of any animal or animals, shall refuse to obey the directions of the Committee or Secretary, (or any of them) such animal or animals shall immediately thereupon become liable to be disqualified from competing, or having been awarded a Premium or prize shall be liable to forfeit in favour of the animal next in order of merit.

22. The Society shall not be responsible for any loss under any circumstances of any Stock or Trade Stand or goods or wares exhibited or for any loss or accident which may occur to or through any Stock or Trade Stand or goods or wares exhibited or from any cause whatever; and it shall be a condition of entry that each exhibitor and competitor shall hold the Society free from liability in respect of any loss or accident, and indemnify it against any legal proceeding arising from any such loss or accident.

23. On the Annual Show Day all exhibits other than those in Classes 1 and 2 shall be in the allotted judging area at the time appointed for judging them, and shall remain there until completion of judging and the award of Premiums or prizes. Exhibits not fulfilling these requirements shall be disqualified, and any Premium or prize won forfeited.

24. All entries must be in writing and submitted to the Secretary not later than such date as shall be decided each year by the Committee. Printed entry forms may be obtained from the Secretary. Acceptance of late entries will be at the discretion of the Committee and will, in any event, be accepted only upon payment of such further fee for each entry as the Committee may agree from year to year.

25. No animal having won a first prize shall be allowed to compete again at the same Annual Show except for the best male or female on the ground or for special prizes.

26. Should any candidate for a Premium or prize be detected attempting to impose on the Society he shall forfeit such Premium and be expelled from the Society.

27. Every Bull over one year must be secured with a ring in the nose with a chain or staff attached, otherwise it cannot be admitted into the Show Grounds, and all cattle must be tied to the place assigned or held securely. Foals will not be admitted unless led with a halter.

28. Every animal which has been awarded a prize ticket shall wear it until it leaves the field, otherwise the prize will be forfeited.

29. That the Secretary and Stewards have discretionary powers to allow animals to leave the field under exceptional circumstances.

30. Premiums and cash prizes will be paid at or within one month following the Annual Show, except in the case of breeding animals, when the Premium or prize money shall be paid after satisfactory proof of breeding is given.

31. The Committee shall have power at its discretion to terminate the membership of the Society of, or otherwise deal with, any Member, whose behaviour the Committee consider to be detrimental to the Society at any time, and in every such case (except by protest) any Premium or prize money, due to the person in question shall be retained by or forfeited to the Society. Re-admission to membership of the Society of any person whose membership has been terminated pursuant to this Rule or Rule 28 shall be entirely at the discretion of the Committee.
